

# Raymond Terrace Public Domain Plan

We've listened to what our community loves about the Raymond Terrace town centre and what could be improved.

The future vision for Raymond Terrace is outlined in the draft Public Domain Plan (PDP) – a 20 year vision for how we can revitalise the town centre and create improved public spaces for our community.

There are 3 big moves planned for Raymond Terrace:

## 01

### Healthy Streets

Streets prioritise people and are safe, walkable, comfortable, and well connected. Focus is on shade, street tree planting, street lighting, improved footpath links and extended cycle pathways.

## 02

### Lively Spaces

Improved look and feel of streets and creation of spaces for events, public art and gatherings. This includes pocket parks, river walkway and lookout, interesting street seating and artwork.

## 03

### Unique Experiences

Creating a unique town centre experience, celebrating civic pride and acknowledging heritage. Includes improved gateways and connections between key places like the River Foreshore and Boomerang Park.

## Key places

The 5 key places in the Public Domain Plan identified for future works are:

1. William Street
2. Terrace Central
3. River Foreshore
4. Adelaide Street
5. Civic Space

## Next steps

**November 2020**  
Public engagement  
on draft PDP

**Early 2021**  
PDP to Council for  
endorsement

**Mid 2021**  
Preliminary works  
to William Street

## Have your say

The draft PDP and draft Streetscape Design Guidelines are available to view and comment on from 11 November to 2 December 2020.

Download the documents and complete a short survey on the draft here:  
[haveyoursay.portstephens.nsw.gov.au/raymond-terrace-public-domain-plan](https://haveyoursay.portstephens.nsw.gov.au/raymond-terrace-public-domain-plan)

The survey will close 2 December 2020.

You can also drop by and see us at our pop up stand on William Street:

**Wednesday 18 November 2020, 11am to 2pm.**
