

ROAD TO TOMORROW

NOVEMBER 2020-2023

Yabang Gumba-Gu

(ROAD TOMORROW-TO)

OUR PURPOSE

Yabang-Gu-Butunga was the originally named agreement between Port Stephens Council and the Worimi and Karuah Local Aboriginal Land Councils. It was signed during NAIDOC Week 2018 and articulated a set of mutually beneficial actions, highlighting the respectful relationship between Council and the Aboriginal community.

During the first two years of this agreement being in place, a number of actions were achieved and are documented in Appendix 1. The agreement was reviewed quarterly at the Aboriginal Strategic Committee meetings, keeping the journey along the 'Road to Tomorrow' moving in a positive direction toward reconciliation.

Reviving the traditional Gathang language of the Worimi people is just one priority to instil identity through cultural awareness and education. The challenge in bringing a dormant language to life is identifying the unique words, sounds, structures and dialects

that exist in each Gathang speaking Nation. Ongoing consultation with the Gathang Language Group and local Aboriginal language advocates identified a closer translation of 'Road to Tomorrow' as Yabang Gumba-Gu.

Yabang Gumba-Gu, as a living moving roadmap, now outlines ongoing actions from Yabang-Gu-Butunga and additional actions to achieve a shared vision for the future of Port Stephens.

Code of Co-operation

Whilst travelling this Yabang Gumba-Gu, we will;

1. Be respectful at all times
2. Be honest and authentic in our discussions.
3. Work positively towards achieving our purpose
4. Show patience and courage to overcome obstacles along the way
